SUBJECT : [REDACTED] - Request for Waiver  
of SI Clearance

1. The Office of Security has approved [REDACTED] 25X1A  
for employment as one of my scientific staff assistants. In this  
capacity he will become aware of Special Intelligence activities,  
and therefore the granting of an SI clearance is mandatory for his  
utilization.

25X1A

2. [REDACTED] has relatives residing in Roumania, and it will  
be necessary for you to grant a waiver before the SI clearance is  
granted. Information concerning these relatives is available in the  
Office of Security.

3. [REDACTED] represents an extremely valuable asset in my  
attempts to secure highly qualified persons as my scientific staff  
assistants. I consider him well qualified for assignment to my  
office, and I feel that the circumstances of his family should not pre-  
clude the granting of this waiver. Although he is a new and young  
employee, I feel that his past experience and present capabilities  
indicate a promising future within my office.

4. I will appreciate your affirmative action on this request for  
a waiver.
